About

We are a team of highly experienced software engineers from top notch IITs and NITs based in New Delhi, India.

Team Leader

Keshav Singhal

I dropped out of Computer Science & Engineering at MNNIT Allahabad, Prayagraj.

I am currently heading Potter Labs and developing Yomo Launcher along with my teammates.

Get Yomo Launcher

Social Media

Our mentor

Mayank Singhal

He secured All India Rank 34 in JEE Advanced 2016 before doing undergrads from CSE, IIT Bombay. He was Mukhya Shikshak at RSS.

He is tweeting [@msinghal34](https://twitter.com/msinghal34)
